Why Join Us?

We are a fun and family friendly lodge and welcome new and joining members. Our masonic meetings take place at various centres, or under canvas, on the 2nd Saturdays in April, May, July and October with "gatherings" for families and friends from Thursday to Sunday at nearby campsites. A variety of additional gatherings and events are also arranged during the camping season. Visit us at one of our gatherings and you are sure to receive a warm welcome.

What is Freemasonry?

Freemasonry means different things to each of those who join. For some, it's about making new friends and acquaintances. For others, it's about being able to help deserving causes and making a contribution to society, but for many it is an enjoyable hobby. Freemasonry is one of the world's oldest and largest non-religious, non political, fraternal and charitable organisations with over 175,000 members in England and Wales alone. It teaches self knowledge through participation in a progression of ceremonies. Members are expected to be of high moral standing. It is open to members of all religions or none but members are expected to have a belief in a supreme being.
